

Dark Mode Presentation

Dark Theme Benefits

- Reduced eye strain in low-light environments
- Modern aesthetic for contemporary presentations
- Better contrast for important information
- Professional look for tech presentations

Customization Options

Change colors in config.yaml:

```
background_color: "#1A1A1A"
```

```
font_color: "#FFFFFF"
```

```
header_color: "#00D4AA"
```

Perfect for developer presentations!
